

HEALTH MINISTRIES ASSOCIATION

Greetings!

You are invited to join with the **Health Ministries Association (HMA)**, celebrating our 30th Anniversary by being a **Sponsor** at our **2019 Annual Meeting and Conference, Faith Based Approaches to Cultivate Healthier Communities**, held October 11-14th at St. Elizabeth Training and Education Center in Erlanger, KY. While we eagerly anticipate each conference, our 30th Anniversary is a significant celebration, offering an extra emphasis on where we have been, and where we are going.

The Health Ministries Association is a national 501(c)(3) membership organization representing hundreds of faith communities and organizations through our nurses, health ministers and clergy whose mission is to encourage, support and empower leaders from **all denominations** in the integration of faith and health. Conference Sponsors are critical to providing professional development and networking opportunities for our members and others who will bring health, healing and wholeness resources back to their communities. A conference sponsorship could develop into an ongoing collegial partnership, as together we work to improve mind, body and spirit health around the nation.

For this 30th anniversary celebration, participants will hear keynote speeches from a nationally recognized author, an NFL Chaplain, a historian/storyteller, a police officer/security expert, and a motivational humorist. We would be honored to have you join with us in recognizing the impact that the Health Ministries Association's mission has had on so many individuals and organizations nationally. Kindly review the Prospectus for Sponsorship Opportunities at http://hmassoc.org/wp-content/uploads/2019_sponsorship_sheet_2.pdf

Conference Sponsorship Benefits:

- Promote your product, services, and information to attendees from a variety of faith traditions and regions across the country
- Connect with dynamic leaders in health ministry and foster new partnerships
- Gain access to best practices in the faith and health movement on the national level
- All sponsors will be listed in the conference program information

For further information or any questions, please call the Health Ministries Association office (800) 723-4291. We hope you will be a part of celebrating the 30th Anniversary of the Health Ministries Association!

Peace,

Karen MacDonald, M.Div.
