

HEALTH MINISTRIES ASSOCIATION

March 30, 2020

Dear HMA Members--

You may remember our last notice regarding our annual conference in September that we were delaying opening registration until April in response to the COVID-19 pandemic.

At our meeting last week, the Board has decided to not hold a conference this year. As a health ministry organization, we want to acknowledge this difficult time and allow conference attendees to focus on staying well, serving others, then recovering from this crisis.

We are pleased to announce that we will resume our annual meeting in 2021 at Techny Towers in the Chicago area, so reserve these dates for our re-gathering: **September 26, 27, 28th 2021.**

We are committed to providing on-going support during the remainder of 2020 to offer meaningful resources to our members. Stay tuned for educational opportunities later this year! We'll also let you know when and how our annual meeting will be held this autumn.

In the meantime, we pray you all blessings in your serving during these trying times. Don't hesitate to let any Board member know how we may be of support.
Peace, Shalom, Salaam--

President, Rev. Karen MacDonald, M.Div
