

Jeneice Hall Brief HMA Bio

Jeneice Hall's passion for supporting health spans over 20 years in the private and public sectors. She received a Bachelor of Science in Healthcare Administration and a Master of Science in Health Promotion from the University of West Florida. She currently works at Austin public health department in Austin, Texas as a public health program coordinator supporting chronic disease and injury prevention. Partnering with faith communities to plan, implement, and evaluate wholistic programming is central to her role. As a board member of HMA, her vision is to create an innovative environment that people of all faiths can use their passion and purpose to positively impact the health of every community by bringing faith and health together.
